Why Paradox Acres meat?

All of our animals are born and raised on the farm in S. Dartmouth. Our pork is pasture-raised, meaning that it has more good fats like omega-3 and higher concentration of micronutrients and antioxidants. Our beef is always 100% grass-fed. None of our animals are given hormones or antibiotics.

What kind of cuts are offered?

Beef: roasts, steaks, ground, stew,
bones, organs
Pork: roast, chops, ribs, fresh belly,
sausage, ground

What is a CSA?

Community Supported Agriculture is a way to guarantee a farmer income at the beginning of the season in exchange for farm fresh goods.

How it works:

CSA members will have 5 pick up's throughout the season which will coincide with Round the Bend Farm's *Open Farm Days*.
