MEAT YOU CAN TRUST

Owner Geoff Kinder raises his animals at Round the Bend Farm (RTB) with the freedom to choose their own diet while rotationally grazing through nutrient-rich fields of perennial grasses. Our animals eat what succeeds here naturally. The taste and quality of our meats are a representation of our farms eco-system.

Shares will consist of pork, lamb and beef

- CSA meat will be cut and wrapped at a USDA inspected facility.
- Most animals are born and raised at RTB under a rotational grazing management system.
